SUMMARY

Electrical and Computer Engineering candidate (NTUA), specializing in Software Engineering and Network Systems. A disciplined problem-solver, with experience in high-stakes team environments and a proven ability to manage complex projects under pressure. Eager to pursue professional and personal development.

EDUCATION

Electrical and Computer Engineering | National Technical University of Athens **Oct 2017 - Present**

- MEng in Electrical and Computer Engineering.
- Specialization: Software Engineering, Computer Systems, and Networks.
- Diploma Thesis: “LLM-Assisted Visualization of EU Legal Manuscripts”
- Expected Graduation: January 2027

2nd Model Lyceum of Athens **Sep 2014 - Jun 2017**

- Admitted via a competitive national selection examination process.
- High School Certificate (Apolyterion), June 2017, Grade: 19.0/20
- Represented the school as a team member, in the pre-selection competition for the 2016 European Union Science Olympiad (EUSO), ranking 5th nationally.

WORK EXPERIENCE

Automation Developer & Associate | Aeiforiki Symvouleftiki Ltd **Aug 2024 - Apr 2026**

- Developed automation scripts for generating analysis spreadsheets, reducing manual reporting time.
- Engineered automated survey workflows utilizing Google Street View API for remote infrastructure auditing and data collection.
- Conducted on-site technical audits and autopsies of electromechanical installations in municipal buildings to evaluate eligibility for EU-funded energy efficiency grants.

Content Systems Developer | Kallipos Initiative **Jul 2021 - Jul 2023**

- Contributed to a large-scale Open Access project for academic publications for Greek higher education institutions, implemented by the Special Account for Research Funding (ELKE) of the National Technical University of Athens (NTUA)
- Developed an automated publishing pipeline using DocBook XML to convert academic manuscripts into multi-format digital textbooks (PDF, ePub, HTML).

EXTRACURRICULAR ACTIVITIES

- Fulfilled Mandatory Military Service as Force Protection Operator (Mar 2025- Mar 2026) | Hellenic Army General Staff, G2 Directorate.
- Scout (2009- 2017), Leadership Roles & Volunteering (2017- date), Elected Member of the General Assembly (2023- date), Multidisciplinary Adult Leader Trainer (2026- date) | Scouts of Greece.
- Advanced level Violin Performance and Music Theory classes (Grade 7 ABRSM equivalent).
- Amateur visual astronomer.

ADDITIONAL INFORMATION

- **Technical Skills:** C/C++ & Python (including ML & Microcontrollers), HTML/CSS/JavaScript, SQL, GNU/Linux, Network Programming.
- **Languages:** Greek (Native) , English (Fluent - CAE/IELTS 7.5 equivalent), German (Good - B1).
- **Certifications:** Skipper for 25’ Whaler and Offshore Sailing Boats (Loyd’s Register Approved Training Course, Provided by Scouts of Greece), Certificate in Sailing (Hellenic Offshore Racing Club).
